Salaries and Wages

Employees are paid by Direct Deposit, Bi-Weekly on Fridays.

Comp Time/Overtime

Any hours physically worked over 40 hours weekly are accumulated in a “Comp Time” earnings bank for all Full Time Employees (**non-exempt employees only**). One hour of over time equals one and one half hours of “Comp” time.

PTO

PTO or “Paid Time Off” is earned as illustrated in the Personnel Policy and is based on scheduled weekly hours. PTO may be used for sickness, rest, recreation, or whatever purpose the employee desires.

Paid Holidays (8) observed

New Year’s Day	Memorial Day
Independence Day	Labor Day
Thanksgiving Day	Christmas Eve
Friday after Thanksgiving	Christmas Day

Personal Time

At the beginning of each fiscal year every full time employee is awarded 2 days (see chart in Personnel Policies) of personal time that is based on scheduled weekly hours. Personal Time is a separate benefit from PTO leave, explained above, and must be used each year. If an employee leaves the employment of the District before taking their Personal Time it will be forfeited. New employees will be awarded their 2 days of Personal Time upon hiring. New employees will accrue the Personal Time the first week of employment.

Funeral Leave

An allowance of three (3) working days, with pay, **may** be extended to an employee who experiences death of an immediate family member (parent, spouse, child, siblings, or grandparent, including ‘steps’).

Longevity Pay

The amount of the Longevity Pay shall be set by the Board each Fiscal Year and is calculated based upon each employee’s continuous months of service with no minimum or maximum amounts. Longevity pay is paid in a lump sum payment during the month of December each year.

Uniforms and Uniform Allowance

The District provides for the purchase of uniform shirts annually for field staff. It further provides an annual allowance to aide in the purchase of boots or jeans for each field employee. A notice will be sent to the employee’s supervisor within 30 days of the employee’s anniversary date.

Incentive Clothing Awards

The District awards polo shirts with the District logo at the end of 3 months’ probation and for other significant anniversaries. Coats or jackets with the District logo are also awarded following the one year anniversary date (or other incentives at General Manager discretion).

Licenses and Dues

The District will reimburse or pay dues and fees associated with professional and/or technical organizations and required licenses and registrations which are directly related to the employee’s position.

Tuition Reimbursement

Tuition reimbursement **may** be available for degree plans pre-approved by the General Manager.

Probationary Period

For new or returning employees, the probationary period is three (3) months.

Vehicles

Each field employee may be assigned a District vehicle after the successful completion of their initial probationary period (3 months). The field employee will be allowed to use this vehicle for business and commuting purposes. Some managers may also be assigned a District owned vehicle for commuting and business use.

Cell Phones

The District may assign some District owned cell phones for employee use. Other employees may be offered an allowance to offset business use of their personal cell phones.
