

West Central Texas Municipal Water District Hubbard Creek Reservoir No Hunting Zones

Hunting Rules:

1. Hunting within 1,000 feet of private residences, and public access areas such as boat ramps and parks, is prohibited.
2. Hunting is only permitted on the Reservoir with a shotgun. All other types of firearms and ammunition are prohibited.
3. Firearms are not permitted on Water District Property.
4. All hunters following the above rules must also abide by any other State and Federal hunting rules including permits and licenses.
5. Permanent blinds are not permitted in the huntable areas of the Reservoir or the islands.
6. Decoys are allowed, but only on the day of the hunt.
7. All hunting shall be done at the person's own risk.
