NOTICE OF PUBLIC MEETING

INTERRUPTIBLE WCBWDS WATER RATES: AGRICULTURAL USERS

The Board of Directors of the West Central Texas Municipal Water District will meet in an open and regular session on Wednesday, August 30, 2017, beginning at 9:00 am at the District's offices located at 410 Hickory Street, Abilene, Texas 79601 to establish the Interruptible Water Rate for Agricultural Customers (IWRA) of the West Central Brazos Water Distribution System (WCBWDS) and the Transportation Rate for water delivered through the same system. The District's Finance Committee is recommending the IWRA be set at \$52.30 per acre-foot from January 1, 2018 through December 31, 2018. They are also recommending the Transportation Rate be set at a total of \$235.48 per acre-foot delivered through the system to these users between September 1, 2017 and August 31, 2018. The District's Finance Committee plans to make these recommendations to the full Board during the August 30th meeting.

Please attend the meeting if you would like more information or are interested in addressing the Board regarding these proposed water rates. Public comments will be held to no more than five minutes per person during the meeting, and a "Request to Speak" form must be completed and turned in prior to the start of the meeting. Comments or questions may also be sent prior to the meeting by email to chris.wingert@wctmwd.org. More information is available by contacting Chris Wingert, General Manager, at 325-673-8254.
